## A HISTORY OF INNOVATION

### 1<sup>st</sup> Generation

For more than nine decades, the family created milestone innovations, including the first genuine leather hand stitched ball.

Headquartered in Sialkot, Pakistan, the company was founded in 1919 by (Late) Sh. Muhammad Abdullah soni with an intention to export goods. This individual was instrumental in the company's early success and made significant contributions to production of soccer balls with his expertise in the field.

### 2<sup>nd</sup> Generation

(late) Sh. Muhammad Anwar Soni, son of the founder joined the company in 1940 and provided the production staff with technical direction for the development of new products. This era has attracted hundreds of customers from the Far east and European Markets.

### 3<sup>rd</sup> Generation

The H. Skill's Commitment to quality has passed to the third Generation. The Six Grandsons of the founder now Lead the company. Through vision and innovation, the company has expanded the Original family of H. Skill products to include a list of brands like,

**Goldsoni, Casablanca, Alba, Alberta & Hafsa**

Throughout its colorful history, the company has adapted successfully to continual changes in product Design, distribution systems and manufacturing methods. In spite of many changes, H. Skill has never veered away from its initial commitment to quality.

## POLICIES & ACHIVMENTS

### Quality Policy

We trust in continuous improvement of productivity, quality, service, relationship and human resources to achieve our goal of total customer satisfaction.

### Child Labour "Stricly Prohibited"

We are closely Working with The chamber of commerce and ILO for elimination of child labour from soccer industry.

### ISO 9000 & CE Mark

To ensure maximum customer satisfaction, we have ISO 9000 Certification and CE mark as well to produce harmless and non-hazard goods for kids.

State-of-the-art facilities, modern equipment, systemized management and superior workmanship, ensure all of our products are produced according to the international standards.
